Sun is down, Iâ'm dressin' up
Lookin' so fine
Hangin' with my boys tonight
So ready
Everyone is gettin' up
Flashin' the sign
Nobody's gonna say no

Cruisin' round all over town
Makin' good time
Feelin' on the street tonight's
Electric
I'll be rockin' into town
Soon I'll be flyin'
Get it on for the show
Let's go

Free your spirit, free your mind
All night long
Don't be shy don't stand in line
Come on!

Gotta move out, gotta move out
Cuz we're gonna get funky
Makin' my move, ready to shout
I'm a boy and I'm free
Out with the guys, scammin' the crowd
I'm out to get crazy
Tellin' ya now, tellin' ya loud
I'm on the prow!

Don't stop
Just run, run, run
The chase has now begun (That's right, that's right)
Won't stop
Until I'm done
Cuz I'm gonna have some fun (All night, all right)

Don't stop
Cuz I'm the one
The chase has now begun (That's right, that's right)
Won't stop

Until Iâ'm done
Cuz Iâ'm gonna have some fun

Gettinâ' down and fired up
Huntinâ' some game
Searchinâ' for some play tonight
Some action
Saddled up so giddy-up
Shoutinâ' my name
Feel my power, feel it grow
Letâ's go

Everybody sing my song
All night long
Come on in, thereâ's nothinâ' wrong
Come on!

Gotta move out, gotta move out
Cuz weâ're gonna get crazy
Makinâ' my move, ready to shout
Just do it, baby
Out with the guys, scamminâ' the crowd
Til I find my party
Tellinâ' ya why, tellinâ' ya how
Iâ'm on the prowl

Donâ't stop
Just run, run, run
The chase has just begun (Thatâ's right, thatâ's right)
Wonâ't stop
Until Iâ'm done
Cuz Iâ'm gonna have some fun (All night, all right)

Donâ't stop
Cuz Iâ'm the one
The chase has just begun (Thatâ's right, thatâ's right)
Wonâ't stop
Until Iâ'm done
Cuz Iâ'm gonna have some fun

Come on, come on, baby
Come on letâ's go wild
Do it, do it, baby
Cuz I like your style

Come on, come on, baby
Come on letâ's go wild
Do it, do it, baby
I can rock your life

Everybody sing my song

All night long
Come on in, there's nothin' wrong
Come on, come on!

Gotta move out, gotta move out
Cuz we're gonna get funky
Makin' my move, ready to shout
I'm a boy and I'm free
Out with the guys, scammin' the crowd
I'm out to get crazy
Tellin' ya now, tellin' ya loud
I'm on the prowl

Gotta move out, gotta move out
Cuz we're gonna get crazy
Makin' my move, ready to shout
Just do it, baby
Out with the guys, scammin' the crowd
Til I find my party
Tellin' ya why, tellin' ya how
I'm on the prowl

Don't stop
Just run, run, run
The chase has just begun (That's right, that's right)
Won't stop
Until I'm done
Cuz I'm gonna have some fun (All night, all right)

Don't stop
Cuz I'm the one
The chase has just begun (That's right, that's right)
Won't stop
Until I'm done
Cuz I'm gonna have some fun
