He used to wear a small toy fireman's hat  
An old red raincoat that was torn  
And then he'd rescue me out of the fire  
As he would save the day once more

Some other times, he'd wear a plastic badge  
Pull me over in the driveway  
Cuz I was speeding on my tricycle  
He'd say I've got to mind my way

Now, 20 years past  
Brother he wears a completely new outfit  
But can our family stand  
Just one more day

So when you close your eyes at night  
Please say a prayer for my brother  
And Ask God to keep him well  
As he keeps us safe, you'll see

He left our home and went away  
Cuz someone needs him more than I do  
I pray so hard just to believe  
Cuz I still need my hero please  
Just bring my brother back to me

And now a candle burns in St. Joan's Church  
Our family's hopes within it blown  
We pray the angels take this light to him  
So he can find his way back home

Momma prays every day  
Little Bro Billy gets quiet for hours  
Even Dad whispers words  
When he's alone

So when you close your eyes at night  
Please say a prayer for my brother  
And Ask God to keep him well  
As he keeps us safe, you'll see

He left our home and went away

Cuz someone needs him more than I do  
I pray so hard just to believe  
Cuz I still need my hero please  
Just bring my brother back to me

I pray so hard just to believe  
Cuz I still need my hero please  
Just bring my brother back to me
