All romance may be  
Just luck and chance to me  
Never leaving us well  
But beauty now appears  
A vision finds me here  
Ask me why, I can't tell

My useless words  
Fall silent as you rise  
My empty life  
Born again in your eyes

Chorus:  
Angels have heard you  
But I don't deserve you  
They seem to think I'm worth the pain  
But miracles find me  
Release all that bind me  
I'll never be the same  
Blinded by beauty  
Passion runs through me  
I don't believe and yet it seems  
Heaven was set free  
The moment you found me  
My life has been redeemed

And what now can I give  
To bless this chance to live  
I have nothing at all  
Words I cannot say  
A debt I can't repay  
Humbly waiting my fall

Gone is my life  
It's chains are now a memory  
Gone is my shame  
Still don't know what it means to me but

Chorus

All I prayed for is gone  
All I begged for hopeless and wrong

Now I cry for the one thing I need in my life  
To be worthy alone in your eyes

Chorus

Chorus

My life has been redeemed
