The darkness falls upon my soul
As all my dreams slip away from my hands
Time is relentless in it's toll
IÂ'm left exposed for the sinner I am

But IÂ'll fall on my knees to stop the pain
To repent, confess my shame
As the dawn calls with a voice to heal me

Salvation comes when I am lost
Salvation comes to pay my cost
A ransom for a lowly life yet
It lifts my wings to set me free
It's spirit roars so IÂ'll believe
Salvation comes for me

From these omens I canÂ't hide
The endless nights spent afraid and awake
My anguish sleeping at my side
As fear enslaves every breath that I take

But let the world, all creation drag me down
Let disaster keep me bound
Grace is rising like the sun to find me

Salvation comes when I am lost
Salvation comes to pay my cost
A ransom for a lowly life yet
It lifts my wings to set me free
It's spirit roars so IÂ'll believe
Salvation comes for me

Behold His Face
And bless the Hand that holds back the darkest nights
DonÂ't fear Â- Behold His Grace
The Lord will rise
Feel the mercy of His Light

Salvation comes when I am lost
Salvation comes to pay my cost
A ransom for a lowly life yet
It lifts my wings to set me free

It's spirit roars so I'll believe - Oh

Salvation comes when I am lost
Salvation comes to pay my cost
The ransom for a lowly life
It lifts my wings to set me free
It's spirit roars so I'll believe
Salvation comes for me - Oh

It comes for me
