It's Saturday night
And I'm confessin'
Father forgive me
For what I'm about to do
When the sun falls low
I just know
I'm not gonna make it through

I know that tonight
I'll be tested
Father forgive me, but
Temptation just feels so right
It's so hard to fight
So I might
Wanna be bad tonight

I'm runnin' around to find
The sins that will ease my mind
Every seduction calls
Sounding as sweet as they could

Desire can feel so fine
When my heart can cross the line
Bein' bad always beats bein' good

It's Saturday night
And I'm confessin'
Father forgive me, For
I don't know what to do
When the sun falls low
I just know
I'm not gonna make it through

I'm runnin' around to find
The sins that will ease my mind
Every seduction calls
Sounding as sweet as they could

Desire can feel so fine
When my heart can cross the line
Bein' bad always beats bein' good

It's Saturday night
And I'm confessin'
Father forgive me
For what I'm about to do
When the sun falls low
I just know
I'm not gonna make it through
I'm not gonna make it
I'm not gonna make it through
