Drivin' on the highway and I
Came across a diner, I sat
Next to a young cowboy
With big stars in his eyes

He said, "Buddy, check this
Drove 500 miles to Texas
Cuz I heard that somethin' special's
Found in places this size"

Then he tipped his hat and departed
As he left I heard him call
Said ev'ry single cowboy in Texas is havin' a ball

Think big! Just like the Lonestar sky
Think large! As tall as it is wide
Big dreams! Can make a life amazing
Believe your dreams are as big as

Texas! That's why it's one big party
Texas! Down south where life is hearty
Think Texas! This state's a state of mind
Live your life big in the State of Texas

Oh, oh, oh! Yeah, Texas!
Oh, oh, oh! Think Texas!
Oh, oh, oh! Live your life big in the State of Texas

So there I got the message
And I said, "Shoot, I'm here in Texas! "

And I saw that all the people
Were just livin' large and

They were buildin' big lives,
Like a super XXL size cuz they
Know that dreams are only
Just as deep as your heart

Texans know that bigger is better and you'll hear it
when they call
Cuz ev'ry single cowboy in Texas is havin' a ball

Think big! Just like the Lonestar sky
Think large! As tall as it is wide
Big dreams! Can make a life amazing
Believe your dreams are as big as

Texas! That's why it's one big party
Texas! Down south where life is hearty
Think Texas! This state's a state of mind
Live your life big in the State of Texas

Oh, oh, oh! Yeah, Texas!
Oh, oh, oh! Think Texas!
Oh, oh, oh! Live your life big in the State of Texas

Texas ain't just somewhere to go to
It's a state of mind for all
Now me and ev'ry cowboy in Texas are having a ball
We're having a ball

Think big! Just like the Lonestar sky
Think large! As tall as it is wide
Big dreams! Can make a life amazing
Believe your dreams are as big as

Texas! That's why it's one big party
Texas! Down south where life is hearty
Think Texas! This state's a state of mind
Live your life big in the State of...

Think big! Just like the Lonestar sky
Think large! As tall as it is wide
Big dreams! Can make a life amazing
Believe your dreams are as big as

Texas! That's why it's one big party
Texas! Down south where life is hearty
Think Texas! This state's a state of mind
Live your life big in the State of Texas

Oh, oh, oh! Yeah, Texas!
Oh, oh, oh! Just think Texas!
Oh, oh, oh! Live your life big in the State of Texas
