Anyone can fly
He said: Anyone can fly

What great unrest
Blows through the wings of my soul
What great mistake
Stirs their thunder
Accusing my passion once more

Stars are gone from my eyes
Let Heaven and Earth hear my cry

Rain – falls on what once was my life
Their lightning cuts me like a knife
And I, I cannot fly anymore as I battle the storm in my
sky

You will not fly
They said: You will not fly

And who can say
Why wings break in the light
And who can know
Why lives die in a world that obsesses with pride

My heart's desire to soar
Won't carry my dreams anymore oo oo oo

Rain – falls on what once was my life
Their lightning cuts me like a knife
And I, I cannot fly anymore as I battle the storm in my
sky

He didn't fly
They said: He didn't fly
They lie, They lie

Alone, my judgment is here
How can you condemn me – with your fear
Don't condemn with your fear

Rain – falls on what once was my life

Their lightning cuts me like a knife
And I, I cannot fly anymore as I battle the storm oo oo

Rain - falls on what once was my life
Their lightning cuts me like a knife
And I, I cannot fly anymore as I battle the storm in my
sky

I will fly
I will fly again
