I am not gonna sing a song without love
It's not worth singing oh-oh
Love is just like a song
It's better when all the bells are heard ringing oh-oh
Lift the music up higher
We'll form a band and a choir
I'll sing, a song for the Lord, a song about love
That's what I'm singing oh-oh-oh

I am not gonna sing a song without hope
Cuz people are crying oh-oh
Hope is just like a song
It's better when every person is trying oh-oh
Lift the music before us
We'll form a band and a chorus
I'll sing, a song for the Lord, a song about hope
That's what I'm singing oh-oh-oh

Every heart and every voice will be strong and give Him
praise
Every boy and every girl will see
Find the words by which they'll come to believe
Give the gifts they need

I am not gonna sing a song without faith
Cuz faith is for seeking oh-oh
Faith is just like a song
It's better when all of us are believing oh-oh
Lift the music up higher
We'll form a band and a choir
I'll sing, a song for the Lord, a song about faith
That's what I'm singing oh-oh-oh

We are not gonna sing a song all alone
We'll sing together oh-oh
Love rings out like a song
Sing it out loud, sing it forever oh-oh
Lift the music before us
We'll form a band and a chorus
We'll sing, a song for the Lord, a song about love
That's what we're singing oh-oh-oh

A song about hope, a song about faith
That's what we're singing oh-oh-oh
A song about love, a song for the Lord
That's what we're singing oh-oh-oh
