Vengeance... Vengeance was an angel

Story of an angel - Vengeance was his name
Fallen down from Heaven - Angry from the shame
Angel and a rock star - Sexy in the dark
They all wanna be him - but no one wants his heart

How can he stop the feelings when no other could be
kind
Raging at the world and seething at anybody he could
find - yeah, yeah

Chorus:

He's got vengeance on his mind, He wants
vengeance all the time
It's a passion he cannot contain
If you're looking to be saved, just forget the angel,
babe
Cuz vengeance is his, Cuz Vengeance is his name

Mercy... Mercy was a lady

Mercy was a lady - Bruised and broken, too
Looking up to Heaven just like the hopeless do

How can she stop the feelings - Gazing at this creature
here
She found it so appealing - That he would never show
his fear - yeah, yeah

Chorus

How can he stop the feelings - Humbled wings and halo
gone
And she found this creature kneeling - He found his
Mercy in the dawn - yeah, yeah

Chorus:

He's got vengeance on his mind, He wants
vengeance all the time
It's a passion he cannot contain
If you're looking to be saved, just forget the angel,

babe
And the fire that is now unchained

He's got vengeance on his mind, and he wants it all
the time

It's a passion he cannot contain

If you're looking to be saved, just forget the angel,
babe

Cuz vengeance is his, Cuz vengeance is his name
