A long time ago, I never knew myself  
Then the memory of shame birthed it's gift

No more the small one, the weak one, the frightened  
one  
Running from beatings, deflating

I'm becoming more than a man  
More than you ever were

Driven and burning  
To rise beyond Jesus

I'm born again  
With snakes eyes

Becoming... God size

I found my life was slipping through my hands  
Perhaps through death my life won't be so bad

I can see you  
Can fuck you, inside of you  
Staring through your eyes

Belittle your friends to serve me  
To suck me  
To realize my saving grip

I, of suicide  
I, the Unlord

I'm born again  
With snakes eyes

Becoming... God size

(Solo)

I'm born again  
With snakes eyes

Becoming... God size

God size

God size
