Im high!

Well, I don't know where they come from, but they sure  
do come

I hope they're comin' for me

And I don't know how they do it, but they sure do it  
good

I hope they're doin' it for free

They give me cat scratch fever

Cat scratch fever

Well, the first time that I got it I was just 10 years old

I got it from some pussy next door

I went to see the doctor and he gave me the cure

I think I want it some more

They give me cat scratch fever

Cat scratch fever

I got it bad, scratch fever

Cat scratch fever

It's nothing dangerous, I feel no pain - I've got to  
change change change

You know you got it when you're goin' insane

It makes a grown man cry, cry - Oh, won't you make my  
bed?

Well, I make a pussy purr with the stroke of my hand

They know they're gettin' it from me

And they know just where to go when they need their  
lovin' man

They know I'm doin' it for free

I give 'em cat scratch fever

Cat scratch fever

They got it bad, scratch fever

Cat scratch fever
