(Live)

You hear Rex's bass?

Answer me ya hear the fuckin bass?

On the Cowboys From Hell album,

We gotta song called Domination...

Were gonna cut that motherfucker in half...

I wanna see everybody break there neck, in here!

1 2 3 Jump!!!!

(dadada dadada....)

IS!

Cuts to Hollow

LETS GO!

He as hollow as I alone,

Shell of my friend just flesh and bone

There's no soul

Sees no love

Shake my fist, skies above!

MAD! AT GOD! MAD!

He as hollow as I converse,

Wish he'd waken from this curse

Hear my words before it's through

Want to come, after you!

MY! BEST FRIEND! MY! Best Friend right here...

Listen!

Jump Back!

That's fuckin bad ass!

Thank you...

1 2 3 ____!!
