Under the light  
The way I feel  
Everybody making such A big deal

I do the things on my own way  
but this but this is it  
do it moving on  
while you been singing that same old song  
it's Not for me  
it's Not for you

Now if youll do ill do  
all the things That I'll do babe

I'll be alright  
Just give me a chance  
I'll be alright  
till got it above the ground

can't repeat it I'll never be the same  
and one of these days out with that game  
it doesn't like it i don't who don't  
in other twelve is on her who wonder now

do it now moving on  
and you keep playing that same old song

was the new hell thing all satisfied  
but you know that you have pack them

I'll be alright  
until give me a second chance  
I'll be alright  
because got it above the ground

-Solo-

I'll be alright  
Just give me a chance

I'll be alright  
because got it above the ground

baby! baby!!

I'll be alright babe
