I wonder if we'll smile  
In our coffins while  
Loved ones mourn the day the absence of our face  
Living, laughing, eyes awake  
Is this too much for them to take?

Too young for ones conclusion  
The lifestyle won  
Such values you taught your son

That's how  
Look at me now

I'm broken  
Inherit my life  
I'm broken

One day we all will die  
Clichéd fact of life  
Force fed to make us heed  
Inbred to sponge our bleed  
Every warning, a leaking rubber  
A poison apple for mingled blood

Too young for ones delusion  
The lifestyle cost  
Venereal mother, embrace the loss

That's how  
Look at you now

You're broken  
Inherit your life  
You're broken

That's how  
Look at us now

(Solo)

I'm broken  
Inherit my life

I'm broken

That's how  
Look at me now

I'm broken  
I'm broken  
I'm broken

I'm broke... uh!
