Revenge

I'm screaming revenge again

Wrong

I've been wrong for far too long

Been constantly so frustrated

I've moved mountains with less

When I channel my hate to productive

I don't find it hard to impress

(Pre)

Bones in traction

Hands break to hone raw energy

Bold and disastrous

My ears can't hear what you say to me

(Chorus)

Hold your mouth for the war

Use it for what isn't for

Speak the truth about me

Determined

Possessed

I feel a conquering will down inside me

Strength

The strength of many to crush

Who might stop me

My strength is in number

And my soul lies in every one

The releasing of anger can better any medicine under  
the sun

(Pre)

(Chorus)

There comes a time within everyone to close your eyes  
to

What's real

No comprehension to fail

I vacuum the wind for my sail

Can't be the rest

Let others waste my time

Owning success is the bottom line.  
Like a knife into flesh  
After life is to death  
Pulling and punching the rest of duration  
NO ONE can piss on this determination
