Pussy Tight, Tonight, Pussy Tight

Just keep it coming, Just keep me pleased.
If you know what's good for you, you'll be looking for
me,
I know you know i can please.
Oh yes last night was crazy, got in a fight. Saturday
Night!
But tonight.....

Now you're gonna make it right,
Slip and dance with me all night

Pussy Tight, Tonight, Pussy Tight. Alright!

Coors Light on ice, she's getting quiet,
She's feeling my rise.
Don't stop, Roll dice,
She's got my rod in he thighs!

Oh yes tonight feels crazy,
Hoping for tight, You know it might!
Call it a date, I can't fucking wait!
As she pumps it feels right, I can hang all night!

Pussy Tight, Tonight, Pussy Tight. Alright!

I can hang all night!

Pussy Tight, Tonight, Pussy Tight!

Loose will occur, when the puss starts to purr,
You know what you are, You fuck us so hard!

Pussy tight alright(backwards)!
