I don't want you to look at me while I'm shedding
Skin. I can't afford for you to see what's inside me.
I'd rather shoot myself than have you watch me. I
Feel you'd steal my skin to try and wear me.
I was betrayed, one more day of my short life. You
were
Carried away. You had no shame. To suffocate my
being.
I was me, but you weren't you. You were sticking to me
like
a scab...so I peeled you away, and bled for days. Then
Stepped out of myself.
I'm shedding skin, changing within, I'm falling in.
Through swollen eyes, I dreamed you died, caught
inside.
I'm shedding skin, spreading thin, severed stem.
I created the end, I'm killing a friend. I'm shedding my
skin.
I don't think you belong in here, I feel I'm sick. Don't ask
because
You know damn well where I've been. I've kept a simple
Woman through the thick and thin. But I've found the
guts
to sever from my Siamese twin.
I throw you away. Everyday. A dead part of life.
Strangling
back. Seething black. In between my longing for
torture.

Blood on my face that came from your face. The mix
Of kissing and bleeding. I put you away. I shut you
away.
I pissed you away. I threw you away.
I'm shedding skin, changing within, I'm falling in.
Through swollen eyes, I dreamed you died, caught
inside.
I'm shedding skin, spreading thin, severed stem.
I created the end, I'm killing a friend. I'm shedding my
skin.
You're fucking, and sucking. You're friendless. It's
endless.
Your flower has soured. It's endless. You're friendless.

It's harder. And stronger. But no one's been inside you
longer.
Or harder. Or deeper. To get you off, you need the
fear.
It's never love. Bloody touch. Broken wrist. Needle rust.
Choking throat. Swallowed teeth. Head fuck. No peace.
I'm shedding my skin to peel you off of me.
You've got to love me.
Ornament. Shrunken head. Playtoy. Snake strike.
Poisonous.
Syphillis. Drenched me. Soaked me.
I'm shedding my skin to drain you out of me.
You've got to hate me.
