Put in position to wage teenage mayhem  
A common affair for the ones who are juiced  
If it is weakness that grants us the power  
We thrive on what's stronger than most of the world

Glass breaks/the dimming lights/sweat, heat and  
profane debate/  
the smart ones stay on the outside/while drunken  
heads and  
arms erupt/centered man swings a punch, spits a  
tooth, postures  
odd/a punk rock escapade/five bucks a head to be king  
dick in the crowd

We are the ones who must sport the position  
cheap beer/trendy clicks/lesbian love is accepted and  
right/  
shaved heads meet hair in the mix/blending the 80's  
and 90's  
with hate

Shows on/dates canceled/kicked out for reasons that  
seem so  
unfair/skin crusts against the cops/a foregone  
conclusion that's  
tired and beat  
Ringworm,crabs and lice/V.D. ecstasy, speed and  
horse/a  
heaven/of unmatched importance/an honor of sex to  
be stuck by the  
punk  
Rich homes/with money and food/abandoned for the  
bums on the  
street/a lifestyle that's unexplainable/don't try and  
save what is  
all meant to be

If it is free/from (a) family that's seen/you can just keep  
it  
if you must beg/it's better instead/you must follow the  
etiquette  
You know when it rains you're in your bed at home

You act so real when you are alone  
You better not let the mohawked crowd see  
Give it five years, you'll retire your piercings  
You must admit that you mimic the weaklings
