If ever words were spoken
Painful and untrue
I said I loved but I lied
In my life
All I wanted
Was the keeping
(Of someone like you)
As it turns out
Deeper within me
Love was twisted
(And pointed at you)

Never ending pain, quickly ending life

{Chorus}

You keep this love, thing (love), child (love), toy
You keep this love, fist (love), scar (love), break
You keep this love, love, love
You keep this love, love, love
You keep this love

I'd been the tempting one
Stole her from herself
This gift in pain
Her pain was life
And sometimes I feel so sorry
I regret this the hurting of you
But you make me so unhappy
I'd take my life and leave love with you

I'd kill myself for you, I'd kill you for myself

{Chorus}

No more head trips

You keep this love, thing (love), child (love), toy
You keep this love, fist (love), scar (love), break
You keep this love, love, love
You keep this love, love, love
You keep this love

You keep this love
You keep this love
You keep this love
You keep this love
