Back in the depths of time
When the Elder Ones yet reigned
Chaos got out of line
This menace wasn't feigned

Keeping Chaos at bay
One Elder gave Darkness strength
To guard the warrens of the world
He laboured countless days on length

Thus was forged the Sword
Taking every victim's soul
A tight grip on Chaos' cord
It would play a decisive role

Dragnipur
Souls devoured
Dragnipur
Forever stay
Dragnipur
Ceaseless struggle

Dragnipur
Souls devoured
Dragnipur
Forever stay
Dragnipur

Ceaseless struggle

By the hand of Darkness
Forged took Forger's soul
Adding now to it's prowess
The blade then took it's toll

Doomed forever to hold tight
Isolated from the earth
Caught in a sorry plight
Waiting now for his rebirth

The blade now held by Rake
Countless souls must work like bees

'Till the time that it should break
They never will find peace

Dragnipur
Souls devoured
Dragnipur
Forever stay
Dragnipur
Ceaseless struggle
Dragnipur
Chaos chained
