[Verse 1]

I remember drawing circles, in the sand down by the
water, young and amazed
By the crashing waves.
I use to sit at home and wonder why I wasn't like the
others, laughing and
Playing with their mothers.

[Hook]

But now I now she made a sacrifice,
So I could have the finest things in life.

[Chorus]

I'll spend a life time just to show you how I appreciate
you.
You taught me how to be myself.
I walk a million miles and I'll fall a thousand times.
You taught me how to be myself.

[Verse 2]

I remember lying in the dark and feeling sad coz it was
so hard.
Tears running down my face.
And everytime I heard a car go past.
I would run up and look through the glass.
Hoping I'd see your face.

[Hook]

But now I know she made a sacrifice so I could have the
finest things in
Life.

[Chorus]

I'll spend a lifetime just to show you.
How I appreciate you, you taught me how to be myself.
I'll walk a million miles, and I'll fall a thousand times.
But you taught me how to be myself.

[Bridge]

You taught me how to be independent.
And you taught me how to stand strong.
And I'm the person that I am today.

From what I went through in those days.
She made a sacrifice, to give me the finest things in
life.

[Chorus x3]

I'll spend a lifetime just to show you.
How I appreciate you, you taught me how to be myself.
I'll walk a million miles, and I'll fall a thousand times.
But you taught me how to be myself.
