Everybody need inspiration  
Everybody needs a song  
A beautiful melody  
When the night is so long.

'cause there is no guarantee  
That this life is easy

Chorus:  
Yeah when my world is falling apart  
when there's no light to break up the dark  
tha's when I, I  
I look at you  
When the waves are flooding the shore  
And I can't find my way home anymore  
That's when I, I  
I look at you.

When I look at you I see forgiveness  
I see the truth  
You love me for who I am  
Like the stars hold the moon  
Right there where they belong  
And I know I'm not alone  
Chorus:  
Yeah when my world is falling apart  
when there's no light to break up the dark  
that's when I, I  
I look at you  
When the waves are flooding the shore  
And I can't find my way home anymore  
That's when I, I  
I look at you.

You appear just like a dream to me  
Just like Kaleidoscope colors that  
Cover me, all I need  
Every breath that I breathe  
Don't you know you're beautiful?

Yeah yeah yeah  
When the waves are flooding the shore

And I can't find my way home anymore  
That's when I, I  
I look at you.  
I look at you  
You appear just like a dream to me
