Here I am waiting, I'll have to leave soon  
why am I holding on?  
we knew this day would come, we knew it all alone  
how did it come so fast?

This is our last night,  
but it's late and I'm trying not to see  
'cause I know when I wake,  
I will have to sleep away.

Chorus:  
And when the daylight comes I'll have to go  
but tonight I'm gonna hold you so close,  
'cause in the daylight, you'll be on our road  
but tonight I need to hold you so close.  
Oh ohh oh ohh oh ohh  
Oh ohh oh ohh oh ohh

Here I am staring at your perfection in my arms, so  
beautiful  
the sky is getting back, it doesn't burning out,  
somebody slow it down  
this is way too hard 'cause I know the sun comes out  
believe this is my last advance that will soon be  
memory.

[Chorus:]

I never want it stop because I don't wanna start out  
over, start out over  
I was afraid of the dark but now it's all that I want, all  
that I want, all that I want

[Chorus:]
