Looking back in my life
I've had problems and lots of strife
But I've found a way to get over
And every day brings me that much closer
So hold your head up to the sky
Hold your hands up so we can fly
Are you ready for the time of your life
Are you ready 'cause this rhythm makes me feel good
'Cause this rhythm makes me feel good

It feels so good, it feels so nice, it feels so right
'Cause this rhythm makes me feel good
It feels so good, it feels so nice, it feels so right
'Cause this rhythm makes me feel good

'Cause this rhythm makes me feel good

'Cause this rhythm makes me feel good
Feels good, so good, feels good, so good, feels good,
so good
'Cause this rhythm makes me feel good
Feels good, so good, feels good, so good, feels good,
so good
'Cause this rhythm makes me feel good
So good, so good
So good, so good

Take the time to unwind
Leave your troubles all behind
Hear the rhythm it's a good thing
Free your mind
Free your heart, free your soul
Let the music take control
In the club on the floor
'Cause this rhythm makes me feel good

It's a shame that we can't be as one be the same,
No more war, no more poor, this is worth fighting for
Every woman, every man, join together, make a stand
It's the time for us all in the club on the floor
'Cause this rhythm makes me feel good

So good, so good
So good so good

'Cause this rhythm makes me feel good
It feels so good, it feels so nice, it feels so right
'Cause this rhythm makes me feel good
'Cause this rhythm makes me feel good

'Cause this rhythm makes me feel good
Feels good, so good, feels good, so good, feels good,
so good
'Cause this rhythm makes me feel good
Feels good, so good, feels good, so good, feels good,
so good
'Cause this rhythm makes me feel good
So good, so good
So good, so good
