Wrap me up, ummm
With your love and hold me
Wrap me up, ummm, with your love, ummm
Wrap me up, ummm, with your love and hold me

They say home is where the heart is
But you ain't never here
I've tried almost everything
To keep our love alive, ooh ooh

I'm tired of trying, I'm tired of lying
To keep this thing going on
And you know that I'm longing for your touch, ooh ooh
Touch you, baby

(CHORUS)

Wrap me up in your love, your love takes me higher
Wrap me up in your love
Wrap me up in your love, don't hold me down, I'm not a
fighter
Wrap me up with your love and hold me tighter
Wrap me up in your love, your love takes me higher
Wrap me up in your love
Wrap me up in your love, don't hold me down, I'm not a
fighter
Wrap me up with your love and hold me tighter

We can carry on just as long as you understand
I want to need your sweet sweet touch
To keep this thing alive, ooh ooh

I'm tired of trying, I'm tired of lying
To keep this thing going on
And you know that I'm longing for your touch, ooh ooh
Touch you, baby

(CHORUS)

My eyes are open wide
I can see you from each side

Now I'm here and saying
ooh ooh, touch me, baby
I'm tired of the trying
I'm tired of your lying
Trying and lying, ooh ooh ooh ooh ooh

(CHORUS)
