No one loves you
Like I do
I stand by your side
For the rest of my life
Can you hear me
When I whispering girl
Yeee.
I like this feeling
That you give me
When you kiss me
3x I feel the world is mine
Can you hear me
When I whispering girl

Let me whisper in your ear All the things you'd like to hear I am here For you..

Let me whisper in your ears All things you like to hear I'm here For you..

> Yes I feel I'm in love Deep in love Yes I feel I'm in love Deep in love
