Sabrina:

All i ever want is flying  
And all i ever need is trying  
All the things i long to do  
They happen all for me and you  
Now or never and forever, i stand  
This is all i ever want

Alexander:

All i ever want is fighting  
And all that i can do is trying  
All for one is you and me  
And all at once eternity  
Strong as never and forever i stand

Alexander & sabrina:

This is all i ever want  
All, all or nothing  
All i ever need is you  
Even in a world so cruel  
All can change because of you  
'cause together, all together we stand  
All i ever want

Alexander:

In the cold of hell i'm homeward bound

Sabrina:

Whoooa, you let the stars come crashing down

Alexander & sabrina:

All is fair in love  
We find a way  
It's all enough  
We feel the same  
Oh, we're home again  
This is all i want, yeeeah

All i ever want is flying  
(sabrina: all i ever want)  
And all i ever need is trying

(alexander: all i ever need)  
You can make me all complete  
And you're the one i ever need  
'cause together, all together we stand  
This is all i ever want

Alexander:  
All i ever want is you  
Mmmmm

Sabrina:  
You
