I lost my heart girl, I can't let you go  
and I wanna be with you, oh I really know  
like a feather in the wind, I will fly to you  
and I know it's not a sin, see what love can do

Chorus:

Another day, another heart  
Another dream will tear apart  
Another hero comes along, comes along  
Another day, another heart  
Another dream, oh try a start  
Another heartache comes along, comes along

If I could fly away, I would find my way  
I'd fly with broken wings, only for one day  
home is where my heart will go, love is where you are  
and it doesn't matter babe, if you're near or far

Chorus:

Another day, another heart  
Another dream will tear apart  
Another hero comes along, comes along  
Another day, another heart  
Another dream, oh try a start  
Another heartache comes along, comes along

I can't forget you, you're in my heart  
and I will love you till I die, oh baby  
And I will ever, I will ever play my part  
oh baby, please give us one more try

Chorus:

Another day, another heart  
Another dream will tear apart  
Another hero comes along, comes along  
Another day, another heart  
Another dream, oh try a start  
Another heartache comes along, comes along

Another day, another heart  
Another dream will tear apart

Another hero comes along, comes along  
Another day, another heart  
Another dream, oh try a start  
Another heartache comes along  
tear apart.
