ALEXANDER KLAWS  
Another Heart Is Broken

Baby I can't deny my pain, if you will leaving me  
Baby I can not let you go, oh this love is real  
there's stormy wind from north-side  
oh it's blowing through your hair  
and we driving through the desert  
Baby I tell you, yes, I swear

oh Baby, every day a heart is broken  
and every night a love is gone  
and there are many words left unspoken  
but I know where my heart belong  
I'll love you forever, I'll love you forever  
with all my heart  
please let's stay together, oh let's stay together  
I'll play my part

Baby it's just a question of time, there's something  
going on  
it's like an island of lost souls,. but we can't go wrong  
oh this life is just for living, heaven is for everyone  
and while there is a candle burning  
oh I feel my heart is strong

oh Baby, every day a heart is broken  
and every night a love is gone  
and there are many words left unspoken  
but I know where my heart belong  
I'll love you forever, I'll love you forever  
with all my heart  
please let's stay together, oh let's stay together  
I'll play my part

I'll love you forever, I'll love you forever  
with all my heart  
please let's stay together, oh let's stay together  
I'll play my part
