Oh why, oh why you are crying!  
How many times, oh he said goodbye  
oh why, oh your heart is dying  
oh these tears, they will never dry  
can't you see, he's lying to you  
but you will see - that he's the fool

Chorus:

Anything is possible, my baby  
every night I kiss away your pain  
anything is possible an maybe  
oh tomorrow love will never be the same

Listen baby, I'll be always by your side

Oh why, you follow a rainbow  
take your time, where do you go from here  
oh why, there is a tomorrow  
strong enough, oh to cry a tear  
can't you see - how beautiful you are  
and can't you see - you're shining like a star

Chorus
