Oh anytime you want me ? oh I'll be there
Anytime you need me ? oh I'll take care
Oh anytime you want me ? I'm your friend
Anytime you need me ? don't let it end

Pretty baby, sooner or later, oh we are all alone
Pretty baby, oh don't hurt me, you are everything I own
But if you heart will leave, there's no place for me my
baby
But there's one thing you should know

Chorus:
Oh anytime you want me ? oh I'll be there
Anytime you need me ? oh I'll take care
Anytime you want me ? I'm your friend
Anytime you need me ? don't let it end

Pretty baby, if you miss me, love will always find a way
Pretty baby, if you kiss me, I'm feeling stronger every
day
And I close my eyes / and I'll pray to go my baby
If you'll stay it feels like paradise

If you want my heart, oh don't tear apart
There's a place for us my baby
And I know that time will show
