ALEXANDER KLAWS
Behind The Sun

One day I'll fly to you
I wish your Love is true
no matter what I do
I'll do it just for you
All I ever wanted is you

I wish I'll be your guy
Beyond the 7th sky
I'm riding on the wall
I'll catch you if you fall
I love the way you love me, my girl

Behind the sun we find a place my baby
Behind the sun I promise you my heart
Believe in love and hope
and your love won't stop
oh love is the greatest gift of all
Baby love is the greatest gift of all

I know we'll find a way
This love is here to stay
Baby, can't you see
it's a long long odyssey
what goes on when your love goes down

Behind the sun...

Oh love is the greatest gift

Behind the sun...

Oh love is the greatest gift of all
oh love is the greatest gift of all
oh love is the greatest gift of all
oh love is the greatest gift of all
