Breaking up is hard to do
If you leave me, you're the fool ? oh no, oh no no

Oh I thought it is forever, but you're telling lipstick lies
I told you now for never, but you left ma paradise
We were sailing on a rainbow, up and down again
Then you said you have to go go, and it is the end
I'm not a Casanova, I'm not a Romeo
Babe, if you don't love me, then you have to go

Chorus:
Oh, breaking up is hard to go
If you leave ma, you're a fool
We can make it better girl ? baby, baby, baby
Oh breaking up is hard to go
I can't change the golden rules
We can make it better girl ? oh try it, try it, baby

It's a sad, sad situation, if you're leaving me tonight
And it's a sweet, sweet sensation, if you turn out the
light
We are lying an a bed of fire, hundred years away
Can't you feel my desire, we will find a way
I'm not a Casanova, I'm not a Romeo
But if you don't love me, baby you have to go

I'm not a Casanova ? I'm not a Romeo
Babe if you don't love me ? then you have to go

Chorus:
?breaking up, breaking up is not easy
