ALEXANDER KLAWS

Here I Am

There'll be times when
you feel so lost and lonely
I know I've been there
I understand a helping hand
means so much more
so don't despair
'cause I'll be there
you never walk alone

Here I am, just for you
here I am, and there is nothing
that I wouldn't do
if there is anything
a heart desires
anything at all, take my heart
'cause here I am

Tell me how can
I prove my honesty
and show you
how much I care
so tenderly follow me
and take my hand
and I'll be there
this I swear
you never walk alone

Here I am, just for you
here I am, and there is nothing
that I wouldn't do
if there is anything
a heart desires
anything at all, take my heart
'cause here I am

If only I could find the words
to show you how I feel
wish only I can help

you see the truth
and should you ever doubt yourself
is what I have to say
be there for me
and I do all I can

Here I am
OOOOHHHHH â€|â€|BABE...
YEAH YEAH YEAH
if there is anything
a heart desires
anything at all
take my heart
take my heart
'cause here I am
