Oh I swear I'll die for you
You're my life, my heart it's true
If you stay with me tonight
I'll stay always by your side
But if you go away
I'm a fool again, promise me you don't let it end

Chorus:

I believe ? I can fly to you
Through the valleys and the mountains too
I believe ? I can reach the sky ? if I only try
I believe ? I can fly to you
Coast to coast ? see what love can do
Through a storm and a fire too
I do it just for you

Oh my day will come I know
Storms don't last ? my love, don't go
It's not fair, don't blame my heart
We can try a brand new start
Life is too short my love
Don't throw it all away, every day is a new day

Chours x2
