Oh baby, yes I'm sorry,
Oh that's no way to say goodbye
No baby, oh don't worry,
I believe I am too young to die
Oh if leaving me is easy,
I'm the biggest fool of all
Oh if leaving me is easy,
oh I'm lost behind the wall
Why does a man have to be strong,
if he needs your call

Chorus:

Girl, I need you, just in my heart
More than my heart can say
Girl, I miss you, right from the start
Since you went away
If you leave me you'll take breath away

Oh baby, oh we're walking
Together through a lonely night
Oh baby, oh we're talking, you can run but you can't
hide
If you found another love,
Things ain't what they used to be
If you found another love,
I'm living with a memory
Why does a man have to be strong,
if you set him free

Chorus
