When we first met you were looking for something  
I stood out from the crowd  
But lately distance between us is growing  
The silence seems so loud

I don't wanna hold you back  
Or stand in the way of your dreams  
But I love you so  
I can't let you go

Refrain:  
But if I'm not the one  
If you don't feel our hearts belong  
If you think we've come undone  
Though it tears me up inside  
Just leave me with my pride  
And end what we've begun  
If I'm not the one  
Every time you imagine forever  
Is it me that you're thinking of  
I've been giving you all I can give  
But if my best isn't good enough

You don't have to watch me cry  
There'll be no more tears after tonight  
Just hold me tight  
Help me let you go

I will always hold a place  
For you in my heart  
There you will stay  
Cause I love you so  
But I have to let you go

But if I'm not the one  
If you don't feel our hearts belong  
If you think we've come undone  
Though it tears me up inside  
Just leave me with my pride  
And end what we've begun  
Just say the word

If I'm not the one
