Everytime you touch me girl
I want you to want me
In the heart of a woman, yeah
There's eternity
Everybody knows the way
The way I feel tonight
Like the colors of the rainbow girl
We're staying side by side
Please don't go - cause this is love - your love will grow

Chorus:

I'll love you 'til the day I die
I want your heart forever
I cannot see your blue eyes cry, baby, baby
I'll love you 'til the day I die
Oh baby it's now or never
Oh please don't say to me goodbye
Don't say goodbye

Everybody loves somebody
Oh I miss you so
Until my love is growing girl
I can never let you go
Everybody needs some love
But it's so hard to find
And I swear to you my baby
You are always on my mind
Please don't go - cause this is love - your love will grow

Chorus:

I'll love you 'til the day I die
I want your heart forever
I cannot see your blue eyes cry, baby, baby
I'll love you 'til the day I die
Oh baby it's now or never
Oh please don't say to me goodbye
Don't say goodbye

Oh don't go - this is love - your love will grow
Please don't go - this is love - love will grow
yeah, yeah, yeah

Chorus:

I'll love you 'til the day I die
I want your heart forever
I cannot see your blue eyes cry, baby, baby
I'll love you 'til the day I die
Oh baby it's now or never
Oh please don't say to me goodbye

Don't leave me this way
Tonight is the night
Come on babe, I hold you tight
Don't leave me this way
Tonight is the night
Come on babe, babe I hold you tight
