Light Of Day

Why do u have 2 b so angry
isn't it always something new
Why don't u see that it just might be u
Why don't I try when it's all over
What ever I do it's not enough
I don't believe I ever asked 4 much
Haven't u said enough
Haven't u done enough

I suddenly see the light of day, it's finally there 2 light
my way
I have been sleeping at the wheel all this time
Thought I'm not there yet
I know I will be ok
Now I see the light of day

I don't wanna feel like this before
I don't wanna swim against the tide

What ever I lost I know I'm gonna find
Although I'm standing on the on the edge
I am not afraid 2 fall
I am not afraid at all
I think I've said enough
I think done enough

I suddenly see the light of day-it's finally there 2 light
my way
I have been sleeping at the wheel all this time
Though I'm not there yet
I know I will be ok
Now I see the light of day
