I know that you feel
You don't belong
And I know that you think
You're a strange one
You're drowning every night
From the tears
You cry inside
Oh hold on, 'til the morning

Chorus:
Love is the one
Bringing life to the lonely
It's the only thing you need
To keep you warm
And when it shines
It reminds you
That you're not the only one
It gives you life
It keeps you strong
Love is the one

Sometimes it seems
You just can't win
You never fit into the box
They're trying to push you in
I think you're just like me
Fighting to be free
And if you just believe
And hold on 'til morning

Chorus 2x...
