I reminisce on that smile
That used to brighten my heart
I'll always remember
The silhouette of your face
I could never replace
Always runs thru my mind
How could I be so blind
To let you go I don't know

Refrain:

Cause I'm still missing you
We should have been forever
Still missing you
Now we are so far apart
I never meant to let you go
And you'll never leave my heart
Cause I'm still, still loving you
And I'm still, still missing you

I know I made some mistakes
But tell me what will it take
To forgive what I've done
A million rivers I cross
A thousand miles I'd walk
To have you in my arms
If I could turn back time
To so long ago, I'd let you know

Refrain:

Cause I'm still missing you
We should have been forever
Still missing you
Now we are so far apart
I never meant to let you go
And you'll never leave my heart
Cause I'm still, still loving you
And I'm still, still missing you

I see that look in your eyes
Can't let go of your smile
You've got a piece of my soul
Somehow I can't survive

Without you by my side
Should have never let go

Refrain:
Cause I'm still missing you
We should have been forever
Still missing you
Now we are so far apart
I never meant to let you go
And you'll never leave my heart
Cause I'm still, still loving you
Still
Still missing you
