ALEXANDER KLAWS
Sunshine After The Rain

Sunshine - Good times
I know - you'll be fine

Woke up this morning
another brand new start
That' s our life
I jumped with every beat of my heart
When you came over
I could see something was wrong
It really isn't worth that you
just get to keep moving alone

You know that - I always be there

I'll be your sunshine after the rain
When the sky is turning grey
you know that I'm never far away
Sunshine after the rain
Together 'til the end
Whenever you're in need of a friend
or a shoulder to cry on
someone there to rely on
I'll be your sunshine after the rain
It's the one thing I won't change

We know each other
Since I don't know how long
As long as I remember
You were always there
Singing along
There have been some good times
And it's even been some sad
But we always somehow managed
To get something good
Out of the bad

Remember - I'll always be there

I'll be your sunshine after the rain
When the sky is turning grey
You know that I'm never far away
Sunshine after the rain
Together 'til the end
Whenever you're in need of a friend
or a shoulder to cry on
someone there to rely on
I'll be your sunshine after the rain
I'll be your sunshine after the rain
It's the one thing I won't change

Some say that friends
will come and go
but this thing we have
will always grow
It's this one of these things
You know

Sunshine - Good Times
I know - we'll be fine
Sunshine - Good Times
I know - we'll be fine

I'll be your sunshine after the rain
When the sky is turning grey
You know that I'm never far away
Sunshine after the rain
Together 'til the end
Whenever you're in need of a friend
or a shoulder to cry on
someone there to rely on
I'll be your sunshine after the rain
It's the one thing I won't change
