ALEXANDER KLAWS

There Is No Good In Goodbye

Tears fall, times called
sunsites in your heart
the games lost, the spinning world stops
you say the course has been run
and that the end has now come
please don't mean it's over 'cos there's.....

... no good in goodbye
let's dry our tears and give this love just one more try
there's so much history
don't throw it away
cause tomorrows a brand new day
stay with me

Dreams die, the crow will fly
a kiss can't last all night
the moon sinks and for my last wish
you and I share this heart
please don't tear our dreams apart there's.....

... no good in goodbye
let's dry our tears and give this love just one more try
there's so much history
don't throw it away
cause tomorrows a brand new day
