Love needs no reason
Love keeps your heart so strong-
(Oh my love)
Love needs no reason
With love you can't go wrong-
(Oh my love)
I wish you were here
Tonight by my side
Oh don't cry a tear, my love never dies

Chorus:
We had it all - we lived a dream
How can we fall - oh where we've been
We had it all - dreams never lie
Life is too short - we have to try

Time loves the hero
Who will be there when you're gone-
(Oh my love)
We started from zero
I lived a thousand lives in one-
(Oh my love)

Oh I'll give it all
To be here tonight
Catch me when I fall
And stay by my side

Chorus x2
