Come everybody say yeah yeah yeah  
We rocking into the night, all we see is strobe lights  
And we do it, do it, do it till sunrise

It's time to loosen up,  
Me and my girls gone out  
Hair, dress, looking fine  
We gonna do it hard tonight  
Right in the spotlight, the spotlight, that's where you'll  
find us

We're saying, hot to the club, hey to the dj  
Glass in the air, well let's call that a replay  
Toast for the love, hit the bartender, pour a little more  
for the club  
We throwing peace signs to the crowd... haters by the  
front door  
Love's all around us, do it till the sun come back  
And we doing it again when the sound come back

It's the sound of the party like yeah, yeah, yeah  
Come everybody say yeah yeah yeah  
We rocking into the night, all we see is strobe lights  
And we do it, do it, do it till sunrise x 2

Come on,... I wanna do that thang  
Come on,... I wanna do that move  
Come on... with me  
Do it, do it, do it, till the sun rise

The club is heating up, the blood is pumping  
I'm getting all soaked up, our bodies working  
Shaking on the dance floor, all the boys just wanting  
more  
No one dancing on their own, on their own, on their on

I'm getting ready to rock and rock right  
My head is spinning like a helicopter tonight's the night  
Where's the vodka, damn baby looking like a rockstar  
Dance on the dance floor, ass like I'd die for  
I don't need your name all I need's a party  
Rubbing up against your sweaty little body

Hit that, hasty, we all getting wasted  
Yeah, and it feels so amazing

It's the sound of the party like yeah, yeah, yeah  
Come everybody say yeah yeah yeah  
We rocking into the night, all we see is strobe lights  
And we do it, do it, do it till sunrise x 2

We're leaving all the troubles behind  
We're going high sky  
Sunrise, sunrise, there's no limit, there's not limit

It's the sound of the party like yeah, yeah, yeah  
Come everybody say yeah yeah yeah  
We rocking into the night, all we see is strobe lights  
And we do it, do it, do it till sunrise x 2
