You know I, don't need this
You're falling, to pieces
A knife edge, no wonder
No stone to, roll under

Don't want you

You're almost like a bad haircut
That wont grow out
You're almost like a joke candle
That won't blow out
An I'm goin out my head
Trying to work it out
Why I'm still in love with you

You know all, my secrets
I know all, your defects
A wreck to, recover
I'm not getting, younger

Don't, want you

You're almost like a bad haircut
That won't grow out
You're almost like a joke candle
That won't blow out
An I'm goin out my head
Trying to work it out
Why I'm still in love with you

Ooh ooh oooooh

I'm not meant to, see this
It hurts me, the deepest
Pretending, to mother
I won't even bother
To, mould you

You're almost like a, almost like a bad haircut
That won't grow out
You're almost like a joke candle

That won't blow out
An I'm goin out my head
Trying to work it out
Why I'm still so in love with you

Almost like a bad haircut
That won't grow out
You're almost like a joke candle
That won't blow out
An I'm goin out my head
Trying to work it out
Why I'm still in love with you
