Didn't wanna fall for you so hard
You're not that kind of man
To ever be the first to show your cards
Wish that I could play that hand, mmm
Bought an 8 ball in a corner store
Coz lord I need a sign
You may say that makes me insecure
But I'm in the firing line

Here I go
It's no surprise
No control
My timing's never right
In a chain of fools
I'm next in line
To fall
Heart over mind

Maybe I should play it differently
Pull back my reins, mmm hmm
And tear this heart-shaped picture off my sleeve
Coz it's been driving you away

Here I go
It's no surprise
No control
My timing's never right
In a chain of fools
I'm next in line
To fall
Heart over mind

But as I see you in the light of day
These tiny holes appear
What if my heart has made one huge mistake
And my mind can't pull me clear?
Oh oh

Here I go
It's no surprise
No control

My timing's never right
In a chain of fools
I'm next in line
To fall
Heart over mind

(Here) Here I go (I go)
It's no surprise (It's no)
No control (No surprise)
My, my timing aint right (Chain)
In a chain of fools (Of fools)
I'm next in line (I'm)
To fall (In line)
Heart over mind
