All of my time thinking about you
And most my nights dreaming about you
I can't let go and take it easy
How do you know the buttons to push?

I am so hung up on you
I don't know what to do

Maybe someday I'll get you off my mind
Find the right way to get on with my life
Hang on to the thought of you
Like a mother to a child
Maybe someday, I'll let it slide

I've got to find something to pass my time
Coz you are all that's keeping me alive

I know I should be over you
There's nothing I can do

Maybe someday I'll get you off my mind
Find the right way to get on with my life
Hang on to the thought of you
Like a mother to a child
Maybe someday, I'll let it slide

Let it slide
Let it slide
Let it slide
Let it slide
