I want you to remember
First kiss you ever had
When our lips met together
I knew that was that

I'm still standing, keeping you dancing, yeah
You know you want it
I'm still going, making the party blow
The way you like it (The way you like it)

Do you wanna hear me sing... Pop! (Pop! Pop! Pop!
Pop!)
'Cause I don't think I wanna... Stop! (Don't make me
stop now)
And I love it when my beats... Drop! (who!)
Yeah, it makes me feel... Hot!
Guess who's back on top (Ow!)

I'll happily surrender to your desire
A touch so warm and tender is setting me on fire

I'm still standing, keeping you dancing, yeah
You know you want it
I'm still going, making the party blow
The way you like it (You know you want it)

Do you wanna hear me sing... Pop! (Pop! Pop! Pop!
Pop!)
'Cause I don't think I wanna... Stop! (Don't make me
stop now)
And I love it when my beats... Drop! (who!)
Yeah, it makes me feel... Hot!
Guess who's back on top (Ow!)

Funkin' to this sound
We're gonna get down....

Pop!....Stop!....Drop!....Hot!

Do you wanna hear me sing... Pop! (Pop! Pop! Pop!
Pop!)

'Cause I don't think I wanna... Stop! (Don't make me
stop now)
And I love it when my beats... Drop! (whooh!)
Yeah, it makes me feel... Hot!
Guess who's back on top (Ow!)

Do you wanna hear me sing... Pop! (Pop! Pop! Pop!
Pop!)
'Cause I don't think I wanna... Stop! (Don't make me
stop now)
And I love it when my beats... Drop! (whooh!)
Yeah, it makes me feel... Hot!
Guess who's back on top (Ow!)

Funkin' to this sound (Do you wanna hear me sing now)
(Don't think I wanna stop)
We're going to get down.... (I love it when my beats

Funkin' to this sound
We're gonna get down....
