"Cry"

Well, I... I guess it's been a while
Since I've seen the sunshine, since I have smiled.

And me, who's so well versed...
Is left feeling so damn empty, is at a loss for words

Forgot what it's like to just feel okay,
Praying for the day when there is no more rain...

And I...
I don't wanna do anything but cry.
Oh, and I...
I don't wanna do anything but cry.
(I don't want to do anything but cry)

Well, I... I hardly feel alive.
I'm going through the motions, but I don't feel like
trying.

The hole in my heart is growing bigger my the day,
Wish that I could crawl inside and hide away.

[Chorus]

And I...
I don't wanna do anything but cry.
Oh, and I...
I don't wanna do anything but cry.

[Bridge]
Oh, I'm so low...
I'm almost to the bottom.

Oh, no where to go...
Even my soul has left my body...

[Chorus x2]
And I...
I don't wanna do anything but cry.
Oh, and I...
I don't wanna do anything but cry.
